

TSUKIJI FISH MARKET INC.

# TSUKIJI Selections

## Why we launched TSUKIJI Selections.

I realized that there are many people who wanted to eat delicious fish but haven't had an opportunity until now. I would like to provide delicious fish to as many people as possible because people feel HAPPY when they find food delicious. My mission is to share with people my knowledge and experiences concerning food and nutrition education/promotion (food and nutrition dynamics) and the issues surrounding it, while delivering a message that there are many different types of edible fish in addition to the fish you eat on the daily basis.

If we continue to capture a limited number of marine fish, ecosystem will gradually collapse, making it impossible to return to its original balance. **Though our business is at the grassroots level, we, at Tsukiji Fish Market Inc. always take sustainable marine environment in our mind.** I have been committed to introducing and delivering a variety of delicious fish from Japan, which are in high quality and not easily available in Canada, to you through the convenient handy services of Tsukiji Selections.

We will tell you the shipping fee by reply when you place an order with us. If you pick it up directly, there is no shipping fee.
